MEDICAL LABORATORY ASSISTANT APPLICATION REQUIREMENTS

Below are the general admissions requirements for all health programs followed by the program specific requirements. Please keep in mind that admissions to all health programs is a **two-phase process: (1) Admission to SPCC and (2) Application to Medical Laboratory Assistant.**

PHASE I: Complete your SPCC Admissions File

Step 1. **Complete the SPCC College Application at www.spcc.edu**

- Application to SPCC must be for 2019 FA, 2019 SP or 2019SU **or** you must have been continuously enrolled at SPCC. (Continuous enrollment means that you have been enrolled at SPCC and have not stopped out for any reason. On your application to SPCC, you can only apply to one health program (Medical Laboratory Assistant).

Step 2. **Submit official high school transcript or high school equivalent transcript**

- Graduating high school seniors will be considered with an unofficial high school transcript pending proof of successful graduation. Official transcripts must be submitted after graduation.
- If you have a bachelor's degree or higher, the high school transcript will be waived upon receipt of college transcript showing conferred degree.

Step 3. **Submit official transcripts from all colleges**

- A Transcript Evaluation Request Form **must** be completed and sent to the Registrar for evaluation of prior course credit **every** time a transcript is submitted.
- All foreign transcripts (secondary and post-secondary) **must** be evaluated by an SPCC recognized evaluation company at the student's expense. For specific details, see International Transcript Credit information in the College catalog.

Step 4. **Prepare for and take the College Placement Test (CPT)**

- You have one opportunity to take the CPT (English and Math). The initial test is free. Students are strongly encouraged to thoroughly review CPT study material prior to taking the CPT. All placement test scores are good for five (5) years. All students are required to take the CPT unless exempt by a waiver. CPT Waivers can be found on the SPCC website.

PHASE II: Medical Laboratory Assistant Program Requirements

Step 1. Have valid College Placement Test (CPT) scores:

- DRE score of 151 or higher
 - Mastery in DMA 010 through 040 (score of 7 or higher in each DMA)
- OR**
- Completion within five (5) years of program application deadline of:
DRE 096 through DRE 098 **AND** DMA 010 through 040

Step 2. All course work must be at least a "C"; and your program GPA must be at least a 2.5 to be considered for admission (see page 4 for directions on GPA calculations).

Students must provide documentation of a disability from a physician or other licensed professional to establish eligibility for services.

MEDICAL LABORATORY ASSISTANT PROGRAM FAQ SECTION

Phase II Application Deadline is June 13, 2019 at 5 pm

Where do I go for guidance related to admissions to Medical Laboratory Assistant?

- Visit Student Services to see an Enrollment Specialist in the Admissions Office or email admissions@spcc.edu or call 704-272-5391. You may also contact the Advising Center at 704-290-5213 or advising@spcc.edu.

How do I apply for admissions to the Medical Laboratory Assistant program?

- Complete Phase 1 and 2 of the admissions requirements (page 1).
- Go to www.spcc.edu. On the *Student Forms* page, click on the *Medical Laboratory Assistant Phase II Application* (available beginning September 19, 2018).
- Complete the form fully by answering all questions.
- Submit completed application by **5 pm on June 13, 2019**.

When are students admitted into the Medical Laboratory Assistant program?

- Students are admitted during the Fall semester of each year.
- There is no waitlist and selection is based on first come, first filled.
- **All health programs have limited seats, competitive admissions.**
- If all seats are not filled, the application period may be extended. Any extension will be posted on www.spcc.edu.

How will I know if I am accepted into the Medical Laboratory Assistant program?

Within one month of the program application deadline, you will receive notification of your provisional acceptance by mail. **ONCE YOU RECEIVE THIS LETTER, you *must***

- Complete any steps listed in your provisional acceptance letter by the deadline.
- Attend **MANDATORY** Medical Laboratory Assistant orientation to be held in July.
- Current American Heart Association Healthcare Provider CPR certification will be required at orientation.
- Submit the *Student Medical Form for North Carolina Community College System Institutions* (provided to you after you receive your provisional acceptance letter).

NOTE: Any medical exam or immunization costs are the responsibility of the student. Specific instructions and deadline for completing the form will be emailed within one week of SPCC receiving **your confirmation** acceptance of your program seat.

Applicants accepted for admissions into the Medical Laboratory Assistant program may be required to complete a criminal background check and a drug screen. Costs are the responsibility of the student. Based on the results of the criminal background check and the drug screen, hospitals or clinical facilities where you will participate in onsite training may deny you access to their facility, resulting in your inability to complete the clinical portion of the Medical Laboratory Assistant program. If you are unable to complete the clinical portion of your training, you will be unable to progress in the program; therefore, resulting in your removal from the program.

How do I calculate my GPA?

Only use your completed general education courses listed below. If you've repeated a course, use the highest grade for calculations. Transfer credit is calculated using the grade earned at your previous college and only credits officially transferred by the SPCC Registrar will be used. You must submit a new Transcript Evaluation every time a new transcript is submitted. Grades and credit hours can be obtained from your GO account or the transfer credit report emailed to you when your credits were transferred. CLEP and AP credit is not calculated into your GPA. GPA is calculated using two decimal places and is not rounded.
