Career and College Promise

Session Law 2011-145, the Appropriations Act of 2011, authorized the State Board of Education and the State Board of Community Colleges to establish the Career and College Promise program, effective January 1, 2012.

Career and College Promise (CCP) provides seamless dual enrollment educational opportunities for eligible North Carolina high school students in order to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills. North Carolina community colleges may offer the following Career and College Promise pathways aligned with the K-12 curriculum and career and college ready standards adopted by the State Board of Education:

- A College Transfer Pathway leading to a minimum of 30 hours of college transfer credit;
- A Career and Technical Education Pathway leading to a certificate, diploma, or degree;
- A Cooperative Innovative High School Pathway approved under Part 9 of Article 16 of Chapter 115D of the General Statutes.

Early College High School

South Piedmont Community College in collaboration with the Anson County School System and the Union County School System offers Early College High School programs for students living in each county. Early College High Schools are classified as cooperative innovative high schools under the Career and College Promise program. Students apply for admission to Anson County Early College (ACEC) or Union County Early College (UCEC) in the eighth grade. Students enter the Early College program as freshmen and earn a high school diploma and a two-year Associate Degree in Arts or Associate Degree in Science within five (5) years. SPCC tuition is paid for ACEC and UCEC students. Upon graduation, students then apply to transfer to the college or university of their choice.

Admission for Allied Health and Nursing Programs

Students seeking admission into an SPCC health program will be required to meet all health program admissions criteria and be officially accepted into the health program prior to taking program-specific health classes. Each program has different admissions criteria. Refer to the specific Allied Health or Nursing Admissions Requirements booklet for the health program in which admission is sought. These booklets may be found on the website at www.spcc.edu.

Admission of International Students (Documented)

South Piedmont Community College considers admissions to documented foreign nationals. The following must be completed and submitted to the Admissions Office prior to enrollment:

- SPCC Application for Admission
- System Data Gathering Form
- Permanent Resident Alien Card (or other acceptable documentation)

SPCC is not able to issue I-20s to international students.

Although a student may possess valid documentation to be lawfully present in the United States, that documentation does not guarantee the student has capacity to establish a domicile in the United States. Beginning October 2017, all students must complete Residency Determination on www.CFNC.org to receive his/her Residency Certification Number (RCN). The RCN will classify that student as an in or out-of-state student for tuition purposes.

South Piedmont Community College does not have housing facilities, living accommodations, or associated support programs for individuals from other countries. Each student is responsible for their own transportation.

Admission of International Students (Undocumented)

The North Carolina Community College System advised in Memorandum CC10-026 (effective June 10, 2010) that community colleges should admit or enroll undocumented immigrants only as follows:

- Undocumented immigrants who are high school students may enroll in college-level courses consistent with the Career and College Promise policy. Participation in this program is not based on legal residence, but on attendance in a North Carolina high school. These courses are open to all high school students attending high school (public, private, or home school) located in the state who meet the eligibility criteria.
- Undocumented immigrants may enroll in non-college level courses or programs including high school equivalency preparation courses, Adult Basic Education, Adult High School, English as a Second Language and other continuing education courses less than college level.
- Undocumented or battered illegal immigrants who have been determined to meet one of the qualifying conditions in Federal Law, 8 USC Section 1641 are eligible for college-level courses. It is the applicant's responsibility to produce sufficient written documentation to satisfy the College that the applicant is eligible for post-secondary education benefits.
- Undocumented immigrants must have attended and graduated from a United States public high school, private high school, or home school that operates in compliance with state and local law. Undocumented immigrants with a high school equivalency diploma are not considered to be "graduated from a United States public high school, private high school, or home school" and therefore are not eligible to be admitted.
- Undocumented immigrants who are registered into a class are required to pay the out-of-state tuition rate. The College shall not enroll undocumented students into a class or program of study for which there are waiting lists, nor register undocumented students for classes until the conclusion of the last published (i.e., late) registration period.

College Placement Testing

The purpose of the College Placement Test (CPT) is to enhance the success of each student at South Piedmont Community College. All associate degree, diploma, certificate, special credit, high school, and health program applicants must complete the CPT (Reading, English, Mathematics) or qualify for a CPT waiver prior to registration. All degree and diploma students must meet all CPT requirements prior to completing their program of study. Students transitioning from a certificate program into a diploma or degree program must meet the DMA 040 or MAT 070 requirement for graduation even if there is no math course in the program.

Acceptance of Credit

SPCC evaluates, awards, and accepts credit for transfer, credit by exam, credit by nationally recognized industry credential, and advanced placement. The College ensures that all associated coursework and learning outcomes are at the collegiate level and comparable to those for SPCC programs.

All requests for transfer credit should be made before enrolling but after application and transcripts are received at South Piedmont Community College. In order to obtain transfer credit evaluations, a student must complete a Transcript Evaluation form and supply the College with appropriate transcripts as well as course descriptions or catalogs, if the College requests them.

Students who have completed coursework at other colleges and universities should submit official transcripts of all post-secondary work. Transfer credit may be awarded for appropriate military courses based on American Council on Education (ACE) recommendation. If a student submits transcripts from foreign universities, it is his or her responsibility to provide accurate translations from an approved evaluation agency (e.g., WES) of the (a) transcript, (b) course descriptions, and (c) grading system. Credit will be evaluated in the context of the current SPCC college catalog and awarded according to the following criteria:

- Prior coursework must correspond in instructional hours and content and must be substantially similar to SPCC courses required in the degree, diploma, or certificate being sought. Quarter-hour courses must equate to the semester-hour equivalent of the current required course, either by a combination of courses or as standalone by using the 3:2 ratio (2/3). Coursework must have been completed at a regionally accredited college recognized by the Commission on Colleges or other nationally known accrediting body.
- Coursework must have been completed with a “C” or better.
- Transfer students must meet Residency Requirements for Graduation.

The decision as to how much, if any, transfer credit will be awarded and how such transfer credit will be applied is discretionary on the part of the College.

Noncredit to Credit Policy

South Piedmont Community College awards curriculum credits for non-credit work. This includes nationally recognized industry credentials, credit by examination, approved Continuing Education courses, or through provisions identified in numbered memos and/or guidance from the North Carolina Community College System, and/or when a state-approved bridging program is in place.

Students interested in receiving curriculum credits for non-credit work may obtain information from the Registrar’s Office at the time of admission. Students may also visit SPCC’s web site under Students/Apply Now/Credit Articulation at SPCC, to view currently valid industry certifications, pre-approved Continuing Education courses, and submission forms.

Comprehensive Articulation Agreement

The 2014 Comprehensive Articulation Agreement (CAA), approved February 2014, between the State Board of the North Carolina Community College System and the Board of Governors of the University of North Carolina establishes the procedures for governing the transfer of credits for students who transfer from a North Carolina Community College to a constituent institution of the University of North Carolina. The CAA does not address admission to a specific institution or to a specific major within an institution.

To be eligible for the transfer of credits under the CAA, the student must graduate from the community college with an Associate in Arts (AA) or an Associate in Science (AS) degree and have an overall Grade Point Average (GPA) of at least 2.0 on a 4.0 scale and a grade of "C" or better in all CAA courses. Students who do not complete the degree are eligible to transfer credits on a course-by-course bases.

Additionally the Independent Comprehensive Articulation Agreement allows for transfer of Associate in Arts and Associate in Science degree program credits to some private institutions. For more information regarding the transfer status of specific courses and curricula, visit the Future Students section on the SPCC Website or contact the senior institution. Credit must be applicable to the student's current degree or diploma requirements. Advanced credit must be supported by official test score reports to be considered for transfer credit. Only hours earned are awarded. Official documentation verifying test scores is required. All approved and recorded Advanced Placement credit will be assigned a grade of "AP."

Credit must be applicable to the student's current degree or diploma requirements and must be supported by official test score reports to be considered for transfer credit. Only hours earned are awarded. Official documentation verifying test scores is required.

Creditable military experience must closely correspond to courses in the South Piedmont Community College curriculum for which the student is applying. College credit earned while in the Armed Services must be substantiated with an official transcript of coursework from the Department of Defense or applicable college.

International Transcript Credit

International transcripts require an official English translation. If a student's college or university transcripts are not from the United States, the student must have an International Transcript Evaluation completed by an evaluation agency at their expense. Submit the transcript, course descriptions, and the grading system to an agency recognized by the National Association of Credential Evaluation Services (NACES), World Education Services (WES), or International Education Evaluations, Inc. (IEE) for an international evaluation. A letter grade of "A," "B," or "C" and earned credit hours must be provided for each course. Course equivalencies based on terms such as "Excellent" or "Good" are not acceptable. If a student submits transcripts from foreign universities, it is their responsibility to provide accurate translations of (1) the transcript, (2) course descriptions, and (3) the grading system.
