Step 6: If you would like to print your schedule you can right click on the mouse and select “Print” when using Internet Explorer or Chrome. If using firefox, click on the menu icon (three parallel bar icon) in the top right of your browser to find the print option.

The screenshot shows a browser window displaying the class schedule table from Step 5. A right-click context menu is open over the table, with the 'Print...' option highlighted. The menu also includes options like 'Back', 'Forward', 'Reload', 'Save as...', 'Cast...', 'Translate to English', 'View page source', and 'Inspect'. The table data is partially visible behind the menu.

From here, follow the typical printer prompts for your printer.
