# Associate Degree Nursing Admission Process

**Spring 2021 Program Application deadline is August 28, 2020 at 3 pm**

**Fall 2021 Program Application deadline is January 29, 2021 at 3 pm**

Associate Degree Nursing is a competitive admission program beginning in the spring and fall of each year. Associate Degree Nursing is a two-year degree program, and all applicants must meet the minimum requirements to be considered for admission. **However, meeting the minimum requirements does not guarantee admission.**

All applicants must complete Phase I through Phase II listed below and schedule a Phase III - Minimum Admission Requirement (MAR) meeting in order to submit the Associate Degree Nursing Program Application before the deadline listed above. Qualified applications will be ranked based on points.

## Phase I: Complete your SPCC Admissions File

- Complete the SPCC **Application for Admissions**

Must be within the last year or have taken a general education course at SPCC within last year.

- Submit **official high school transcripts** (or adult high school/high school equivalent transcript)

Required of all applicants regardless of prior degree completion

- Submit **official college transcripts** for all colleges listed on your application

All transcripts are required even if courses will not apply to this program. Transcripts are usually evaluated with 72 hours after they are received. All Transcript Evaluations must be completed prior to your Phase III Minimum Admission Requirement (MAR) meeting.

- Once all transcripts are received, you will be notified if a **Placement Test** is required.

## Phase II: Complete the Associate Degree Nursing Program Requirements

- Attend one of the following **mandatory Nursing Information Sessions**

Friday 3/13 at 10am, Tuesday 4/21 at 5pm, Friday 6/5 at 12pm, Friday 8/14 at 3pm, Saturday 10/17 at 10am, Thursday 12/3 at 5pm

- Have taken or are **eligible to take ENG 111**

- Have taken or are **eligible to take BIO 168**

- Completion of high school or college-level **biology with a grade of “C” of higher**

- Completion of high school or college-level **chemistry with a grade of “C” or higher \***

- Earn a grade of **“C” or higher in all completed general education courses** listed on the ADN curriculum map

- Have a **GPA of 3.0 or higher** in completed general education courses listed in the **ADN Curriculum Map**
- Have a current **Nurse Assistant I (CNA) certification**. Student must successfully pass the state written and skills exam. Note: **NAI program must be state-approved** with theory, lab, and clinical.\*
- Take the **ATI TEAS test** (Minimum Score of **65**) within two years of deadline

**\*Current Licensed Practical Nurses (LPN) will have CNA and chemistry requirements waived.**

### Phase III: Schedule a Minimum Admission Requirement (MAR) Meeting

After completion of Phase I and Phase II, applicants are eligible to meet with a MAR reviewer to complete the Associate Degree Nursing program application.

Applicants that wish to be considered for the **spring 2021** program must complete the MAR to submit the program application between June 1, 2020 and August 28, 2020.

Applicants that wish to be considered for the **fall 2021** program must complete the MAR to submit the program application between November 1, 2020 and January 29, 2021.

**Prospective students will not be considered for program entry unless all steps are completed by the deadline.**

- You must present a photo ID, SPCC receipt, and know your ATI login at the testing appointment.
- The TEAS can be taken once every 3 months at SPCC.

## I was in another Nursing Program. Can I transfer to SPCC's ADN program?

Students seeking to transfer from another ADN program must email [admissions@spcc.edu](mailto:admissions@spcc.edu) to start the process. **Only conceptually based nursing courses will be considered for transfer credit.** If the courses are not conceptually based, the applicant must complete the application process as a new applicant for the first semester of the program. Transfer is not guaranteed and is on a space available basis only.

Transfer Eligibility:

- Previously enrolled in a nursing program at another institution within the last year.
- SPCC's program must be started within one year of having exited a nursing program. Applicants who exceed the one year limit must apply as a new applicant for the first semester of the program.
- Two unsuccessful attempts (withdrawal or failure) in a nursing program are not eligible.

## What if I am reapplying after an unsuccessful attempt in the program?

Reapplication is required for all Associate Degree Nursing applicants if you have withdrawn from the program or been dismissed for any reason. The guidelines for the admissions process for health programs as described in the SPCC catalog section "Admissions for Allied Health and Nursing Programs" must be followed. *If you have been suspended for academic reasons, you must consult and gain approval from the Dean of Allied Health and Public Safety. If you have been suspended for disciplinary reasons, you must consult and gain approval from the Vice President of Student Services.*

## Associate Degree Nursing GPA Calculation Sheet

Use the chart below to calculate your current GPA. Applicants must have a 3.0 GPA for all completed courses.

GPA Calculation Chart				
A = 4    B = 3    C = 2    D = 1    F = 0

- Use only completed general education courses listed above (unless approved by substitution).
- If course was transferred, use grade received at that college (only credits transferred in by SPCC Registrar will be used in the GPA calculation).
- BIO 165/166 may be used for BIO 168/169 (course substitution required after acceptance).
- CLEP are not calculated into the GPA.
- AP credit will be included in the GPA based on the scale below:
  - A = 5
  - B = 4
  - C = 3
- GPA is calculated to two decimal places and is NOT rounded (2.689 is 2.68).

If you intend to use any other course than those listed above, you must complete a *Health Pre-Course Substitution* Form. Forms can be accessed on [www.spcc.edu](http://www.spcc.edu) in Student Forms. Confirmation of the substitution approval must be attached to the Associate Degree Nursing Program Application.

## Accreditation Statements

The Associate Degree Nursing program is approved by the North Carolina Board of Nursing. Contact the Board of Nursing at PO Box 2129, Raleigh, NC 27602-2129 or 4516 Lake Boone Trail, Raleigh, NC 27607 or call 919-782-3211 for questions about the approved program.

SPCC is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees, diplomas, and certificates.

## Disclosure Statements

- Classes for this program are held on the Old Charlotte Highway Campus in Monroe.
- Students nor SPCC determine which clinical sites students will be assigned to nor the schedule.
- **Healthcare Provider CPR will be required by the March/April orientation if accepted.**
- **Student must be on NAI Registry if accepted. Certification must be maintained throughout the program.**
- Accepted applicants may be required to complete a criminal background check and a drug screen. Costs are the responsibility of the student. Based on the criminal background check and drug screen results, hospitals or clinical facilities where onsite training is conducted may deny you access to their facility, resulting in your inability to complete the clinical portion of the program. If you are unable to complete the clinical training, you will be unable to progress in the program; resulting in your removal from the program.
- All tattoos must be covered when in lab, class or clinical. Facial piercings are considered body piercings and are not allowed. The only exception to this rule is a stud nose piercing or stud eyebrow piercing. These must be covered with a clear retainer at all times during class, lab, or clinical.
- By accepting a seat in any SPCC Health Program, you forfeit your place on any alternate list for any other program.

## Deferred Action Childhood Arrival (DACA) and Undocumented Student Notice

NCCCS policy allows DACA and undocumented applicants to enroll at SPCC at the out of state tuition rate. Acceptance to the college does not guarantee acceptance to a specific program. DACA students are eligible to apply to any Allied Health/Nursing programs. Undocumented students are not eligible for consideration in the application process to Allied Health or Nursing programs.

*This information is subject to change without notice based upon federal and state regulations.*

## Availability of Disability Services

SPCC provides ongoing services that encourage students with disabilities to integrate themselves into all aspects of college life. The Disability Services providers are available to assist with registration counseling, academic advisement and arrangements for appropriate accommodation(s). Reasonable accommodations are established on an individual basis. Students must provide documentation for a disability from a physician or other licensed professional in order to establish eligibility for services. Please email [counselors@spcc.edu](mailto:counselors@spcc.edu) for assistance.
