

2022 Entry

Medical Sonography

Admission Requirement Booklet

Performance Requirements

The following are examples of activities that you will be required to perform in order to successfully complete any Allied Health or Nursing program:

1. **Critical Thinking:** Possess critical thinking ability sufficient for clinical and class judgment. Example: You must be able to identify cause and affect relationships in clinical situations, perform ultrasound exams of which you must relate ultrasound characteristics to normal and abnormal anatomy and piece together patient symptoms, lab values, and sonographic characteristics to make assumptions in regard to case studies.
2. **Ethical Behavior:** Provide services with respect for human dignity and the uniqueness of the patient/client unrestricted by consideration of socioeconomic status, personal attributes, or the nature of health problems. Example: You will care for patients/clients assigned regardless of race, gender, religion, or diagnosis and uphold integrity as a medical professional.
3. **Legal Behavior:** Provide care within the scope of practice as stated in the Society of Diagnostic Medical Sonographers Code of Conduct. Example: You will abide by the National HIPAA standards in regard to patient privacy and take responsibility for your own actions.
4. **Interpersonal Skills:** Possess interpersonal abilities sufficient to interact with individuals, families, groups, etc. from a variety of psychosocial cultural backgrounds. Example: You will establish rapport with patients/clients and health care team members by behaving in a professional, courteous manner.
5. **Communication Skills:** Possess communication abilities sufficient for verbal and nonverbal interaction with others, regardless of language or physical barrier. Example: You will be able to clearly explain sonographic procedures to the patient/client/family, document patient/client responses, and report to others regarding patient care.
6. **Mobility:** Possess physical abilities sufficient to move from room to room and maneuver in small spaces, stand and walk for extended periods of time and push and pull large equipment from one place to another.
7. **Motor Skills:** Possess gross and fine motor skills sufficient to provide safe and effective patient care. Example: You will be able to calibrate equipment, maneuver equipment, position patients/clients, assist the Sonologist, etc.
8. **Hearing Skills:** Possess auditory ability sufficient to monitor health needs and collect data. Example: You will be able to listen to other alarms, listen to heart and breath sounds, and hear a cry for help as well as identify pitch differences on Doppler applications.
9. **Visual Skills:** Possess visual ability sufficient for observation and data collection. Example: You will be able to determine color differences on the Doppler scale and gray scale differences on two-dimensional ultrasound display.
10. **Tactile Skills:** Possess tactile ability sufficient to master eye-to-hand coordination. Example: You will be able to move the transducer through an organ while manipulating the instrument controls and looking at the screen.
11. **Weight Bearing:** Possess the ability to lift and manipulate/move 40-50 pounds. Example: You will be able to move equipment, position patients, etc.

Medical Sonography Admission Process

Phase II Application deadline is January 14, 2022 at 3 pm

Medical Sonography is a competitive admission program beginning in the summer of each year. Medical Sonography is a two-year, degree program and all applicants must meet the minimum admission requirements to be considered for admission. **However, meeting the minimum requirements does not guarantee admission.**

All applicants must complete Phase I and Phase II listed below and schedule a Phase II review meeting in order to submit the Medical Sonography Program Application before the deadline listed above. Qualified applications will be ranked based on points and the top twenty-four invited to complete the Foundations of Sonography class from which the top sixteen grades will be admitted to the program. Applicants not admitted to the program must ensure that all Phase I and Phase II criteria are still valid and need to complete a **new** Phase II meeting to complete a Program Application for that following year to be considered.

Phase I: Complete your SPCC Admissions File

- Complete the SPCC **Application for Admissions**

Must be within last year or general education course taken at SPCC within last year.

- Submit **official high school transcripts** (or adult high school/high school equivalent transcript)

Not required if applicant submits transcripts showing completion of an Associate's degree or higher.

- Submit **official college transcripts** for **all** colleges listed on your application

All transcripts are required even if courses will not apply to this program. All Transcript Evaluations must be completed prior to your Phase II review.

- Once all transcripts are received, you will be notified if **Placement Test** is required.

Phase II: Medical Sonography Program Requirements

- Attend an information session within the admission year for which you are applying (until further notice all information sessions held virtually).
- Completion of all general education courses** in the Medical Sonography program prior to January deadline
- Earn a grade of **“C” or higher in all required general education courses** listed on curriculum map
- Have a **GPA of 3.0 or higher in required general education courses**
- Current certification in a patient care field** (CNA, MLA, EMT, or equiv.)
 - Must have taken and passed state or national licensure test before deadline
- Take the **ATI TEAS test** (Minimum Score of **65**) within two years of deadline
- Complete Shadowing Experience** with a **minimum of 15 hours** documented on log sheet (does not apply to 2022 admissions due to COVID restrictions)

Phase II Review

I have **completed all requirements in Phase I and II.**

All my **current college transcripts are on file and have been evaluated** for transfer credit.

I have **completed all coursework on Page 6 with a “C” or higher.**

I have **documentation** for:

- Completed Phase II application received after attending information session
- **Current proof of successful completion and/or certification in patient care field** (passed state/national licensure test)
- **ATI TEAS** within **two (2) years** of deadline with **65** or higher overall score.
- Documentation of **completion of MED 121, MED 122, and/or BIO 271, if applicable** (pts only)
- **Copy of all unofficial college transcripts**

Above documentation must be legible, have student name and date of completion.

Once all items above have been completed and documentation has been collected, make an appointment with Donna Papa (dpapa@spcc.edu) for the Phase II review. You will submit the Medical Sonography Program Application at that meeting. You must have all the items above in order to complete the application successfully and be considered for entry to the program.

Do NOT bring official transcripts to your Phase II application review meeting as the reviewers do not complete transcript evaluations. Official transcripts from all colleges must be submitted 7-14 business days prior to coming in for the Phase II review to be evaluated for transfer credit.

Frequently Asked Questions

How do I apply for admissions to the Medical Sonography program?

- Complete Phase I
- Attend an information session and receive a Phase II application
- Collect Patient Related Care Certification/passing test results, ATI TEAS Score Report, and any documentation to prove completion of points, if applicable.
- Complete shadowing requirement (does not apply to 2022 admissions due to COVID restrictions)
- Make appointment with Donna Papa for Phase II review

When are students admitted into the Medical Sonography program?

- Notification of acceptance/regrets will be mailed within one month of the deadline.
- Students are admitted during the summer session once a year.
- There is no waitlist and selection is based on highest points earned (see selection below).
- **All health programs have limited seats, admission is competitive.**
- If all seats are not filled, the application period may be extended. Any extension will be posted on www.spcc.edu.
- Mandatory orientation is scheduled for Monday, April 11, 2022, 9am-1pm.

How do I earn points? (No substitutions are allowed for extra points classes)

Points Item	Criteria	Score/Points
Overall TEAS Score	Minimum Overall 65 within 2 years of deadline	
MED 121	A=15, B=10, C=5	
MED 122	A=15, B=10, C=5	
BIO 271	A=30, B=20, C=10	
Total Points:		

To receive points, you must attach a legible document with your personal identifiers and date of completion for each item above proving points earned.

TEAS: ATI TEAS score report from ATI student portal.

Coursework: Image of transcript or student portal showing students name, course name, and grade must be provided for each course completed.

What is the Information Session?

- ❖ You **MUST** attend one of the Information Sessions. Until further notice all information sessions will be held virtually. Information sessions will be held once a month (April-December). Participants must register for the session by noon the day before by emailing Amber McCraw at amccraw@spcc.edu. No exceptions will be made. The last session will be in December. No additional information sessions will be added to the schedule.

- ❖ Thursday, April 15, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, May 27, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, June 24, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, July 22, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, August 26, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, September 23, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, October 28, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, November 18, 2021 from 5:00 to 6:00 pm
- ❖ Thursday, December 9, 2021 from 5:00 to 6:00 pm

How do I take the TEAS test?

- ❖ You must create an ATI username/password prior to testing at www.atitesting.com.
 - ❖ Select *South Piedmont CC ADN* as the institution.
- ❖ After your ATI account is created, you can schedule the test and pay through SPCC.
- ❖ SPCC testing appointments must be made online at www.spcc.edu.
- ❖ SPCC student cost is \$73; non-SPCC student cost is \$93 (fee subject to change) paid to SPCC Business Office on the phone or in person.
- ❖ Must present a photo ID, SPCC receipt, and know ATI login at testing appointment.
- ❖ Can be taken once every 3 months at SPCC.
- ❖ ATI TEAS test can be taken at other facilities, score will need to be transferred to SPCC
- ❖ When choosing the appropriate TEAS test, Nursing and Allied Health are the same test.

What can be used for Patient Care Certification?

- North Carolina Nurse Aide I
- EMT Basic or Paramedic
- Medical Assisting
- Medical Laboratory Assistant
- Therapeutic Massage
- Phlebotomy (100 clinical hours in health care facility)
- X-ray Technologist

How do I register for the Shadowing Experience and what are the requirements? (does not apply to 2022 admissions due to COVID restrictions)

- Email Kelly Helms with Atrium Health to register for your shadowing experience- kelly.helms@atriumhealth.org (email is preferred method of contact but you can call Kelly with any questions regarding shadowing at 980-993-2994)
- You must **allow six months prior to the admissions deadline** to complete registration, Atrium clearance, scheduling and shadowing.
- Atrium Health will request the following immunizations: HEP B, TB and Flu Vaccine. Please be prepared to show proof of your records.
- You must attend your assigned shadowing experience for two days, 8 am - 4 pm each day with a 30 minute lunch break. You are required to shadow a minimum of **15 hours** total. You will need to take the

time log on page 12 of the admissions booklet with you so, your time can be documented and signed by a registered sonographer. You will be required to upload your completed time log when you apply.

- Dress attire is professional, **business casual with a lab coat**. Do not wear scrubs. Long hair should be pulled back away from the face.
- Cell phones are not allowed in the Sonography department. You can use your cell phone outside of the department on your lunch break.

How are students selected for the Medical Sonography program?

Twenty four (24) students with the highest points total from the Phase II application process will be invited and required to enroll in a Sonography Foundations course that will be taught in the spring of 2021. Notifications will be mailed to those students selected and required to enroll in the mandatory course, Sonography Foundations.

If two or more students earn the same grade on the lab assessment in Sonography Foundations, the student's admission points will be used to determine student selection. After completion of the Sonography Foundations course, the sixteen (16) students with the highest grades will be selected to enroll in the Medical Sonography program beginning in the summer term.

Students will be divided into two groups and each group will meet for one the following Sonography Foundation courses:

	Course Date	Meeting Time
Group One Course	Monday March 14, 2022	9 am – 1 pm
	Tuesday March 15, 2022	12 – 3 pm
	Wednesday March 16, 2022	12 – 3 pm
Group Two Course	Monday March 21, 2022	9 am – 1 pm
	Tuesday March 22, 2022	12 – 3 pm
	Wednesday March 23, 2022	12 – 3 pm

Course attendance requirement is 100 percent and missing one or more classes will result in course failure. The specific course details are subject to change. The course is designed to give an overview of the profession and include basic sonographic concepts and scanning. Students' understanding of the material will be assessed through interactive lab tasks. The sixteen (16) students with the highest total grade will be provisionally admitted into the Medical Sonography program beginning in the summer semester.

NOTE: Students may not enter the Sonography Foundations course more than twice without the permission of the Dean of Allied Health and Public Safety.

NOTE: The Sonography Foundation course is taught through SPCC's Continuing Education Department; therefore it is not covered by financial aid. Any fees associated with this course will be the student's responsibility. Sonography applicants who are selected based upon the Phase II application point totals and final grade in the Sonography Foundations course are provisionally accepted into the program pending additional deadlines and completion/review of the medical history form provided by SPCC.

Progression in the program is contingent upon passing all criminal background checks and drug screenings required by the clinical sites.

What if I am reapplying after an unsuccessful attempt in the program?

Reapplication is required for all Medical Sonography applicants if you have withdrawn from the program or been dismissed for any reason. The guidelines for the admissions process for health programs as described in the SPCC catalog section “Admissions for Allied Health and Nursing Programs” must be followed. *If you have been suspended for academic reasons you must consult and gain approval from the Dean of Allied Health and Public Safety. If you have been suspended for disciplinary reasons you must consult and gain approval from the Vice President of Student Services.*

Medical Sonography GPA Calculation Information

A = 4 B = 3 C = 2 D = 1 F = 0

GPA Calculation Chart				
Course	Letter Grade	Grade Value	Credit Hours	Quality Points
ENG 111			X	=
COM 110, 120, 140, OR 231			X	=
PSY 150 OR SOC 210			X	=
MAT 152 OR MAT 171			X	=
ART 111, 114, 115; MUS 110, 112; DRA 111; HUM 120, 130, 160, 211,212; REL 110, 211,212,221; OR PHI 215, 240 (Use only 1)			X	=

BIO 168 AND			X	=
BIO 169			X	=
PHY 151 OR			X	=
PHY 110 AND			X	=
PHY 110 A			X	=
			Totals:	
GPA = Total Quality Points/Total Credit Hours				GPA:

- Use only completed general education courses listed above (unless approved by substitution).
- If course was transferred, use grade received at that college (only credits transferred in by SPCC Registrar will be used).
- BIO 165/166 may be used for BIO 168/169 (course sub required after acceptance).
- CLEP are not calculated into the GPA.
- AP will be included in the GPA based on below:
 - A = 5
 - B = 4
 - C = 3
- GPA is two decimal places and is NOT rounded (2.689 is 2.68).

All General Education courses listed above **MUST** be completed by the application deadline.

Accreditation Statements

The Medical Sonography program is accredited by the JRC-DMS and CAAHEP, Commission on Accreditation of Allied Health Education Programs. Contact CAAHEP at 9355 113th Street N. #7709, Seminole, FL 33775-7709 or call 727-210-2350, or visit the website at www.caahep.org for questions regarding accreditation.

SPCC is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees, diplomas, and certificates.

Disclosure Statements

- Courses for this program are held on the Old Charlotte Highway Campus in Monroe.
- Student may travel up to a 200 mile radius from Monroe on some clinical days.
- End of Semester (EOS) Scan Disclosure – To ensure fulfillment of program goals and for the safety of the patients, students, and graduates served, student knowledge and skills are tested by an EOS scan test incorporated into key clinical courses. Ensuring attainment of quality and accurate sonographic images, the ability to conceptualize each image accurately, and to differentiate between normal and abnormal anatomical structures and relationships. Syllabi from SON 121, SON 220, (or SON 220BB) and SON 221 require successful completion of the EOS Scan Test for program progression.
- Accepted applicants may be required to complete a criminal background check and a drug screen. Costs are the responsibility of the student. Based on the criminal background check and drug screen results, hospitals or clinical facilities where onsite training is conducted may deny you access to their facility, resulting in your inability to complete the clinical portion of the program. If you are unable to complete the clinical training, you will be unable to progress in the program; resulting in your removal from the program.
- Accepted applicants must show proof of current Health Care Provider BLS CPR certification no later than the first day of the summer semester.
- All tattoos must be covered when in lab, class or clinical. Facial piercings are considered body piercings and are not allowed. The only exception to this rule is a stud nose piercing or stud eyebrow piercing. These must be covered with a clear retainer at all times during class, lab, or clinical.
- By accepting a seat in any SPCC Health Program, you forfeit your place on any alternate list for any other program.

Deferred Action Childhood Arrival (DACA) and Undocumented Student Notice

NCCCS policy allows DACA and undocumented applicants to enroll at SPCC at the out of state tuition rate. Acceptance to the college does not guarantee acceptance to a specific program. DACA students are eligible to apply to any Allied Health/Nursing programs. Undocumented students are not eligible for consideration in the application process to Allied Health or Nursing programs. According to North Carolina and Federal law, DACA and undocumented students are not eligible for North Carolina professional licensure.

This information is subject to change without notice based upon federal and state regulations.

Disability Services

Students who need accommodations due to disabilities, chronic medical conditions, or pregnancy complications resulting in difficulties with accessing learning opportunities should contact Disability Services at counselors@spcc.edu or 704-290-5844 and apply for accommodation. Students can find more information on Disability Services at <https://spcc.edu/student-resources/disability-services/>. Instructors have made efforts to ensure online and other information technology learning materials meet accessibility standards for Americans
