WHAT IS CAREER AND COLLEGE PROMISE?

Career and College Promise (CCP) offers North Carolina high school students and eligible North Carolina residents tuition-free college course credits. With these credits, students can earn an associate's degree, transfer to a four-year institution, enroll in career exploration courses, or achieve a combination of these outcomes before completing high school.

As a high school student, you can earn **tuition-waived course credits** that pave your way to a four-year university or workforce credential. **See Step 6 on page 14 for information about course material/resource fees.**

South Piedmont Community College offers a variety of opportunities to eligible high school students. Check out the eligibility requirements and pathway options on the following pages!

WHAT IS SOUTH PIEDMONT PATHWAY HONOREE?

Many students pursue dual-enrollment while in high school. Earning the title of **South Piedmont Pathway Honoree** means that students have earned enough credit hours to complete an entire CTE certificate, or have earned 12 or more credit hours on their chosen College Transfer Pathway.

South Piedmont Pathway Honorees are students that have fulfilled the following eligibility requirements:

- Completed 12 or more credit hours on a single Pathway and earned a grade of C or higher in each course
- Maintained at least a 2.0 GPA with SPCC
- For students enrolled in a College Transfer Pathway, one of the courses completed must be an ENG or MAT.

***In 2025, 468 graduating CCP students earned the honor!**

AM I ELIGIBLE?

College Transfer Pathway

High school juniors and seniors **must** meet the following criteria:

- Have an unweighted GPA of 2.8 **or**
- Demonstrate college readiness in English, reading, and mathematics on an approved assessment (see page 4)

Career and Technical Education Certificate

High school juniors and seniors **must** meet the following criteria:

- Have an unweighted GPA of 2.8 **or**
- Demonstrate college readiness in English, reading, and mathematics on an approved assessment (see page 4) **or**
- Have the recommendation of the high school principal or designee, including a rationale for recommendation in place of GPA requirement **and**
- Have the approval of South Piedmont Community College Vice President of Academic Affairs

Please note: If a Career and Technical Education Certificate contains UGETC courses, the same criteria for the College Transfer Pathway will be required. Recommendation in place of GPA requirement will **not** be allowed for any Career and Technical Education Certificates that include UGETC courses.

AM I ELIGIBLE?

Career and Technical Education Certificate

High school freshman and sophomores **must** meet the following criteria:

Option 1

- Have the recommendation of the high school principal or designee **and**
- Have the approval of South Piedmont Community College's Vice President of Academic Affairs **and**
- Pass Math I with a grade of C or higher **and**
- Score a 3, 4, or 5 on the Math I End of Course test **and**
- Score a 3, 4 or 5 on the 8th grade English Language Arts End of Grade test

Please note: Freshman and sophomores can enroll in business, construction, manufacturing, STEM, and transportation/automotive certificates. Freshman and sophomore students may **not** enroll in any certificates that contain UGETC courses.

Option 2

- Have the recommendation of the high school principal or designee **and**
- Have the approval of South Piedmont Community College's Vice President of Academic Affairs **and**
- Demonstrate college readiness in English, reading, and mathematics on a college assessment (see page 4)

Please note: Freshman and sophomores can enroll in business, construction, manufacturing, STEM, and transportation/automotive certificates. Freshman and sophomore students may **not** enroll in any certificates that contain UGETC courses.

AM I ELIGIBLE?

Assessment Options

Test	SAT	ACT	RISE Placement Test
English/ Writing	480 composite score for Evidenced Based Reading and Writing	18	70 or higher on: Tier 1 and Tier 2
Reading		22	
Math	530	22	70 or higher on: Tier 1 and Tier 2 and Tier 3

High School Transcripts

High school transcripts must include the following:

- High school grade level (9th, 10th, 11th, or 12th)
- High school courses completed and in progress
- Unweighted high school GPA
- Expected high school graduation date

Important Information:

- The total number of credits on the high school transcripts does not replace the requirement of the student's grade level to be listed on the high school transcript.
- Eligible students have access to a College Transfer Pathway for **one year as a junior** and **one year as a senior**.
- An updated high school transcript must be provided for each term that a student is enrolled at South Piedmont Community College.

CONTINUED ELIGIBILITY

Academic Standards Policy

Students must maintain satisfactory academic standards. Academic evaluation of student performance occurs at the end of each semester. Minimum satisfactory academic performance is defined as maintaining a cumulative Grade-Point Average (GPA) of at least 2.0 (a grade of "C"). CCP students must maintain a 2.0 GPA in college coursework after completing two courses.

Academic Intervention

Students' academic progress is reviewed each semester. The first semester a student earns a grade point average below a cumulative minimum of 2.0, the student will be placed on academic intervention. Academic intervention status will not limit the number of hours a student may take during that semester; however, the student is encouraged to meet with a counselor to complete an academic success plan. The student will have one semester to meet the required 2.0 cumulative GPA. Failure to do so will result in being placed on academic probation.

Academic Probation

The second and all subsequent semesters a student has a grade point average below the minimum 2.0 required for the cumulative hours attempted for their current major, the student will be placed on academic probation. During the academic probation period, the student's hours will be limited, and the student will meet with a counselor to register for classes and create an academic success plan. Failure to meet the required 2.0 grade point average during the probationary semester may result in one or more of the following:

- An additional semester of academic probation
- Limited academic course load and counseling
- Loss of financial aid; refer to Section III, Satisfactory Academic Progress for Students Receiving Financial Aid for additional requirements
- Loss of VA educational benefits; refer to Section III, Satisfactory Academic Progress for Students Receiving Financial Aid for additional requirements
- Academic suspension for a semester or more (students suspended for academic reasons will automatically be placed on probation for their first returning semester; refer to Academic Suspension below for further information)
- Other as defined by a college designee

WHAT IS A PATHWAY?

College Transfer Pathway (CTP)

Career and Technical Education Certificate (CTE)

Pathway Enrollment Options:

- College Transfer Pathway
- College Transfer Pathway + Career and Technical Education Certificate
- Career and Technical Education Certificate
- Career and Technical Education Certificate + Career and Technical Education Certificate

Important Information:

- A pre-advising discussion with a Career Coach is very important in order to choose the appropriate pathway.
- Students are only permitted to take courses within the enrolled pathway(s)
- While students have the option to change pathways, there must be adequate justification to make the change. **Pathway changes are only permitted once per semester.**
- Pathway completion is highly encouraged!
- If a student completes or is pending completion of a College Transfer Pathway, the student will have an option to take courses beyond that pathway and into a degree/major at South Piedmont Community College.

CAN I GET HIGH SCHOOL CREDIT FOR SPCC COURSES?

Note: As local community colleges develop placement policies and practices, be reminded that the NCDPI Dual Credit Allowances Chart indicates the courses that students must enroll in and experience to receive the corresponding high school credit towards graduation requirements. Students must complete all college courses for the corresponding high school course as indicated on the chart. Even if a community college has awarded credit based on a prior learning policy for college purposes, those local college policies do not transfer back to the high school for credit.

Students who enroll in and pass aligned Universal General Education Transfer Credit (UGETC) courses can receive high school graduation and elective credits. This table shows graduation and elective courses available.

HOW DO I GET STARTED?

Step 1

Apply to South Piedmont through CFNC

- Navigate to www.spcc.edu → Click on the Apply tab → **Select CCP Application**
- Apply using the Career and College Promise (CCP) application
- Please use a personal email (not a high school/student email) on the application
- If possible, provide your NC UID and your Social Security number
- Check the box on the last page to have your high school transcript sent electronically (your application will be delayed if this is not completed)

Step 2

Log in to your South Piedmont Community College student account

- Within 72 hours of applying, you will receive an email titled 'Action Required'. Be sure to check Spam/Junk!
- If you do not receive this email, contact South Piedmont Admissions and request to have it sent. You can either email admissions@spcc.edu or call 704-290-5100.
- The email will contain your South Piedmont Student ID and email address, and a temporary password. This all extremely important information and the only form of communication as a college student!
- Follow the instructions in the email to log in to your South Piedmont account and email your Career Coach. Your Career Coach is available to assist you if help is needed!

Step 3

Access your South Piedmont Community College email

- www.spcc.edu → Menu → Student Panel → Email
- Your email will be your username @student.spcc.edu and the password is the new password that you created.
- You also have the option to download the Outlook application on your phone. This is a simple process and creates an easy way to check your email!
- Due to FERPA, all South Piedmont instructors and employees are required to communicate with you through this email account. It is extremely important to check your email every day and only communicate with your South Piedmont email!

HOW DO I GET STARTED?

Step 4

Complete an Initial Eligibility Form with your Career Coach

- This form is located in Forms (Etrieve) under the Student Panel.
- Look through the College Transfer Pathways (CTP) and Career and Technical Education (CTE) Certificates. Whatever you enroll in will dictate what courses you can take at South Piedmont!
- **Important considerations when choosing a pathway:** What are your goals? Do you plan to get high school credit for any courses? Do you plan to attend a four year university, community college, or graduate high school and go into the work force?
- You must submit an Initial Eligibility Form before you can be registered for courses!

Step 5

Complete a CCP Course Add/Drop Form

- This form is located in Forms (Etrieve) under the Student Panel.
- The purpose of a CCP Course Add/Drop Form is to request the courses, length of courses, and modalities of courses you would like to take at South Piedmont.
- **Important information:** High school students cannot register themselves for courses. You must submit this form in order to be registered for courses.
- Submitting this form does not automatically register you for courses. Once you submit a form, your Career Coach will register you for the course(s) you selected and it depends on availability!
- You will receive a confirmation email (sent to your South Piedmont email) when you are registered for courses. You will also receive an email with their are issues with your request.

Step 6

Course Material/Resource Fees

You will receive an invoice for course materials/resources. This must be paid through Self Service or by contacting the South Piedmont Business Office.

Self Service

You can access the Self Service under the Student Panel. Here you can view your schedule, create an academic plan, and pay any course resource fees!

Campus Locations

Each location offers library services, tutoring, cafeterias, and more!

Important Information about the Transfer Pathway Leading to Associate in Nursing:

This pathway is designed for high school students who wish to begin their educational studies toward the Associate in Nursing degree and a Baccalaureate degree in Nursing. The Pathway is based on Block 1 of the Uniform Articulation Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing programs and the North Carolina Community College Associate Degree Nursing Programs which was approved by the State Board of Community Colleges and the UNC Board of Governors in February 2015.

A student who completes an Associate in Applied Science (AAS) in Nursing, which includes the courses listed below, with a GPA of at least 2.0 and a grade of C or better and completes the courses in Blocks 2-3 of the Uniform Articulation Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing programs and the North Carolina Community College Associate Degree Nursing Programs with a GPA of at least 2.0 and a grade of C or better, and who holds a current unrestricted license as a Registered Nurse in North Carolina will have fulfilled the UNC institutions lower-division general education requirements as well as nursing program entry requirements. However, because nursing program admissions are competitive, no student is guaranteed admission to the program of his or her choice.
